**Celebrating  
200 years of  
Methodism**

**2010 is a very special year in the life of our Church in this village.**

We shall soon be celebrating 200 years of Methodism in Freckleton.

For many, it will be a time for reminiscing, bringing out those old photographs, and meeting up with past friends.

For us all it is primarily a time to thank God for His faithfulness over the years.

### **So what's on offer?**

*Plans are well advanced to usher in an anniversary year packed with a plethora of events and activities to suit all tastes and ages*

- ❖ Guest Preachers to lead a series of special services over the year
- ❖ Musical performances and Guest Soloists
- ❖ Social activities with opportunities to eat and laugh together
- ❖ Drama
- ❖ Concert spectacular
- ❖ A Recipe Book and Commemorative Mug - to buy and try
- ❖ The setting up of the 'TwentyTenFund' to aid an agricultural project in the Cameroon, West Africa (more details overleaf)

#### **The old Hymn reminds us:**

This, this is the God we adore  
Our faithful, unchangeable friend,  
Whose love is as great as His power  
And neither knows measure nor end:

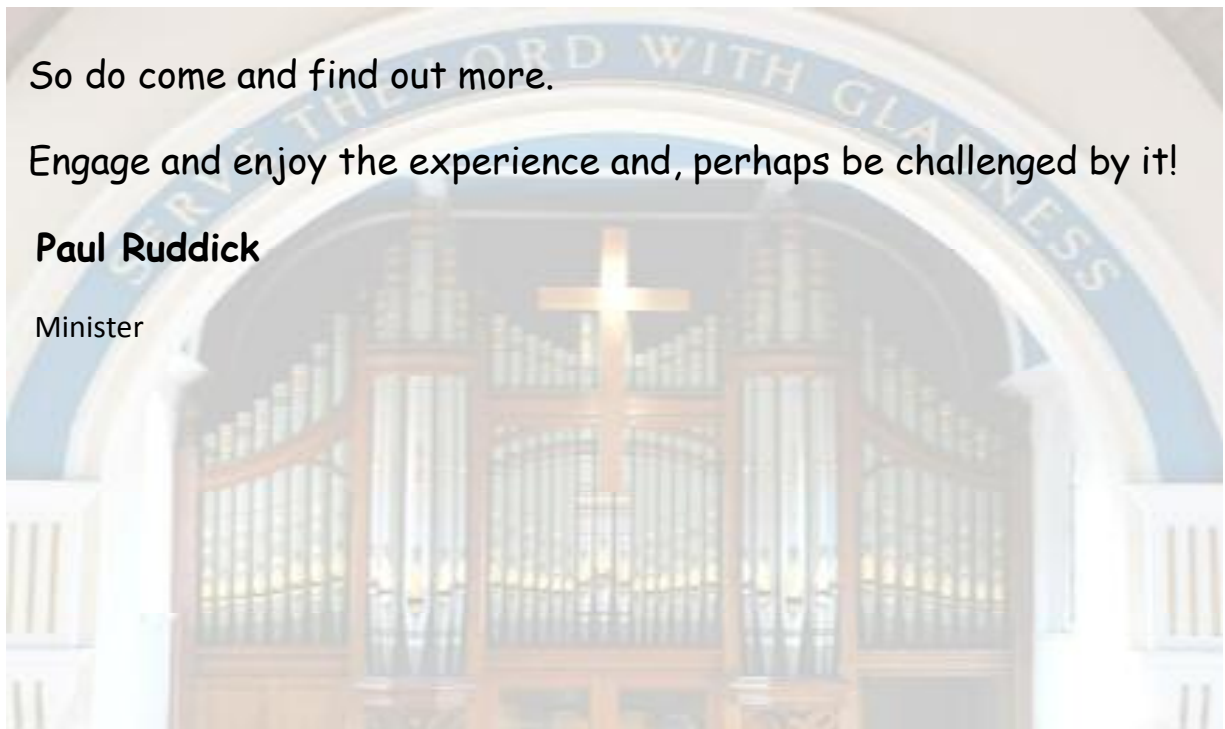

'Tis Jesus, the First and the Last,  
Whose Spirit shall guide us safe home;  
We'll praise Him for all that is past,  
And trust Him for all that's to come.

So do come and find out more.

Engage and enjoy the experience and, perhaps be challenged by it!

# TwentyTenFund

## What is it? Why have it?

This is a special Fund created for 2010 to: receive money from the sale of goods, hold entrance fees from celebration events and meals, and collect money which may be given as a thank-offering.

We do this as a way of saying thank you to God for His faithfulness over the last two hundred years and bring hope for the future.

## What will the Fund be used for?

Linking in with Methodist Relief and Development Fund (MRDF) we will be partnering a Project in the Cameroon. This is an agricultural area (like Freckleton) but without the resources we enjoy here.

### Our money will be used for:

- ❖ Teaching sustainable agricultural techniques and skills
- ❖ A micro-credit scheme to enable villagers to set up their own small businesses and improve their farmland
- ❖ Training in basic accountancy
- ❖ Propagation of medicinal plants and HIV/AIDS awareness

in short:

**Hope and a better standard of living for disadvantaged people.**

## How much are we aiming for?

We trust that over the year we could collect at least £2010. Our pledge to MRDF is for 'TwentyTen' and for any amount over this to go into general funds for the church to use as it continues to seek the right way forward from here .

This is not beyond our ability because we are generous people and will want to support the various activities of the year.
