

# MAKE POVERTY HISTORY

Every 3 seconds a child dies because they happen to be born poor.

If we changed 3 things - **trade, aid and debt** - that scandal would stop. And on 8th July, if the 8 men sitting round the table at the G8 summit think enough people want them to - they can actually do it.  
Stop the deaths. Stop global poverty.

On Saturday 2<sup>nd</sup> July a coach from Freckleton will travel to Edinburgh to take part in a massive peaceful demonstration before the G8 Summit, to impress upon our world leaders that poverty CAN be eradicated. Contact Jo Wray, tel no. 633140, to book a place on the coach.

Alternatively, like the Plough in Freckleton, as featured recently in the local press, you can display a **MAKE POVERTY HISTORY** banner to show your support.

A **MAKE POVERTY HISTORY** campaigner will call shortly and you're welcome to a banner – free of charge.
