Dear Co-ordinator,

Re: Dissemination of Neighbourhood Policing Information

Firstly can I take this opportunity to wish you a Happy New Year on behalf of the Neighbourhood Policing Teams you work alongside.

On a sadder note I need to inform you that your normal point of contact, Lyndsay Milligan has been unable to work since mid December, due to being injured whilst off duty. It was initially anticipated that she would be well enough to return to work after the festive period however her injuries were more severe than first thought and she has required hospital treatment. At this moment in time it is unlikely she will be back in the office for at least four weeks from this dated letter.

I am aware that due to Lyndsay's absence you have not been received a recent update in relation to burglary figures. I would like to reassure you that steps have been put in place to provide you with some form of update within the next week or so. Whilst it will not be the same product that you are used to receiving, I hope it will help you coordinate the work of your respective watches, until our normal service resumes!

If you have any enquiries then please continue to use either Lyndsay's telephone number or e-mail address as other officers from within the team will be able to assist you.

Thank you for your patience

Inspector Kirstie Banks-Lyon
Neighbourhood Policing Inspector
