presents in Freckleton Memorial Hall on School Lane  
"Premiere" Big Screen Cinema Entertainment

When the green ogre married princess Fiona, the last thing he wanted was to become the King of Far Far Away. But when King Harold, suddenly croaks, that is exactly what poor Shrek finds himself facing.

Hilarious antics ensue as Shrek (with the help of his trusted companions Donkey and Puss in Boots) goes on a desperate mission to pass his responsibly onto Fiona's cousin the mischievous Medieval high school slacker Artie
